# Welcome to Our Home

## **NVNA and Hospice Residence**

is home for patients during their last days, weeks or months of life. Our 12-bed hospice residence provides individual private rooms with private baths; common living areas such as the Tea Room and Music Room; chapel; spa; and covered porch; and family areas including a full-size kitchen and dining room and two family suites for out of town family visitors.

Situated on Turkey Hill in Hingham, Massachusetts, we are surrounded by a lush lawn and gardens, as well as beautiful vistas featuring neighboring Weir River Farm Reservation and Hingham Harbor as a backdrop for the majestic Boston skyline.
